## Shandong Iron and Steel Group Co. Ltd.

company name	Shandong Iron and Steel Group Co.,Ltd		
company address	Yutai Square, 2000 Yuhua Rd, HighTech Zone, Jinan, Shandong	Contact person	Wei Zheng
Tel	0531-67606721	Fax	0531-67606721
Website	<a href="http://www.sdsteel.cc/">http://www.sdsteel.cc/</a>		
Profile	<p>Shandong Iron &amp; Steel Group Co., Ltd (SISG) was established on Mar. 17 2008, with a registered capital of 10 billion RMB. The fully state-owned SISG was formed out of the restructuring of Jinan Iron &amp; Steel Group Co., Ltd, Laiwu Iron &amp; Steel Group Co., Ltd, and Shandong Metallurgical Industry Corp. The place of registration of SISG lies in the Jinan High-tech Industry Development Zone. As a major production base of steel plates (4.5-25.0mm) and H sections, SISG has always been focusing on the production of high-end, high-quality and efficient products. The main steel products of SISG include plates (4.5-25.0mm), hot-rolled coils, cold-rolled coils, H sections, high-quality steel, special steel, hot rolled ribbed bars, etc. They are broadly used in the fields of automobile, petroleum, railway, bridge, construction, electricity, transport, machinery, ship building, light industry, home appliance, and sold in dozens of countries and areas such as the U.S., Britain, Germany, India, Japan and the Republic of Korea. SISG has also been expanding its business scope and has established some major business segments like mining, processing, distribution, finance, real estates, information and engineering technology, refractory materials, etc. Its operation revenue of 2014 reached RMB 11.6 billion with total profit RMB 194million.The value of import and export of 2014 is USD 2.3billion. The operation revenue of first half of 2015 reached RMB 5.44 billion with total profit RMB 3.5 billion. The value of import and export of 2015 is USD 1 billion.</p>		
Planning cooperation project	<p>1.The proven recoverable reserve of Central Eyre Iron Ore Project is 3.57 billion tons. Its infrastructures of mine, railway and port are still in the stage of raising funds. Its estimated total investment is about 4 billion dollars with yearly capacity of 21.5 million tons 67% concentrate. Iron Road Company visited Shandong Steel Group on June 8, 2015. Shandong Steel Group is planning to sign a long term purchase and sale contracts, and striving to underwrite all of its iron ore products. To Shandong Steel Group this form of cooperation is pure trade business with no investment or guarantee at all.</p> <p>2. Our company with DK Engineering and Investment Pty Ltd are negotiating resettlement housing construction project in Perth Christmas Island, and now we has finished designing phase. Meanwhile, we are discussing real estate development and affordable housing construction in Swan City in Perth.</p>		

	In addition, on the basis of integrated building cooperation which we have successfully completed, our company with 4 Star Builders Pty are negotiating integrated building development and construction in the next stage.

### China National Heavy Duty Truck Group Co. Ltd.

<p>company name</p>	<p style="text-align: center;">China National Heavy Duty Truck Group Co., Ltd.</p>		
<p>company address</p>	<p>No.165, Yingxiongshan Road, Shizhong District, Jinan City, Shandong Province</p>	<p>Contact person</p>	<p>Xiujie Zhang</p>
<p>Tel</p>	<p style="text-align: center;">0531 85586969</p>	<p>Fax</p>	<p style="text-align: center;">0531 85586962</p>
<p>Website</p>	<p style="text-align: center;"><a href="http://www.cnhtc.com.cn">http://www.cnhtc.com.cn</a></p>		
<p>Profile</p>	<p>China National Heavy Duty Truck Group Corp., Ltd. (SINOTRUK) is China's first heavy duty truck manufacturer, initially founded in 1956 and the cradle of China's heavy duty truck industry. It once manufactured China's first heavy duty truck – HUANGHE branded JN150 8-ton truck in 1960; and successfully introduced the STEYR heavy duty truck project from Austria and became China's first company to comprehensively introduce foreign heavy duty truck manufacturing technology of complete vehicle in 1983. We have initially built an international platform through the red-chip listing in Hong Kong in 2007; In 2009, SINOTRUK formed its strategic partnership with German MAN Group, by which MAN held a 25%+1 stake in SINOTRUK (Hong Kong) Limited. Today, SINOTRUK has developed into China's largest heavy duty truck manufacturing base, SINOTRUK also has most patents in China's automotive industry.</p> <p style="text-align: center;">SINOTRUK mainly designs, develops, produces and sells a wide range</p>		

	<p>of heavy duty trucks, buses, special trucks, engines and their sets, parts and special chassis. It sells its products to more than 90 countries in the world and has been evaluated as China's complete vehicle export base by National Development and Reform Commission and Ministry of Commerce. Besides, it has been successively awarded the titles of Chinese Name-Brand Product, Chinese Excellent Innovative Enterprises, Chinese Companies with Best Integrity, one of China's First AA Enterprises in Quality and Credit Management, etc.</p>
<p>Planning cooperation project</p>	<p>On the Australia market, SINOTRUK firstly focus on the terminal tractor product with simple product structure, small operating range, convenient after sale service and spare parts. The sample tractor got into Australia in 2013, from 2015 SINOTRUK cooperate with the dealer start to develop the terminal tractor creatively with ADR homologation, able to be used on road and off road. This kind of product's specification has been fixed and the tractor is been designing now. On this basis, SINOTRUK actively explores the small operating range full cab truck market. On the one hand, after closer discussion with the dealers and customers, SINOTRUK has finished the development and homologation for 5 models of T5 4X2 cargo truck which are expected to arrive in Australia at the end of this year or the begging of next year. On the other hand, SINOTRUK is exploring to set up a local company with a new business model which set sale, after sale service, spear parts supply and financial assistant in one.</p>
