ACBC Victoria

The Australia China Business Council (ACBC) has been at the heart of the Australia-China trade relationship since 1973 – acting as Australia’s business network for China and the independent voice of business within this relationship.

ACBC helps Australian companies develop and grow their business with China, and Chinese companies expand and invest in Australia.

Membership of the ACBC is about joining a collective force of companies who believe in the opportunities and the potential of deepening the Australia-China bilateral business relationship.

Through our sector-specific working groups and an exciting calendar of networking events, forums, summits, seminars, and publications, ACBC supports members at the different stages of their entry into, or growth within, China.

ACBC’s network of influence has consistently offered a valuable platform to members to help develop nuanced understandings of the changing environment, build networks and provide unparalleled access and engagement with decision-makers at the highest levels in the Australia-China political and business network.

Membership is nation-wide via a state branch. We warmly invite you to become a member of ACBC Victoria and look forward to working with you.
