Welcome

The Australia China Business Council is a membership-based, non-profit, non-government organisation that provides members with knowledge and connections to support their Australia-China business.

Doing business across both Australia and China is highly rewarding, but also challenging. Obtaining advice from experts that understand the two markets is critically important.

Our membership represents deep expertise on all aspects of doing business within the Australia and China, whether it be find business partners, raising capital, hiring staff, setting up the right legal structures, utilising e-commerce and social media platforms, or with many other aspects of business operation.

This directory provides details of experts within our membership that can support your business objectives in both Australia and China. I hope you find this a useful resource.

What ACBC Offers

Gain insights on China through our events program.

Access ACBC's online member-exclusive information and resources.

Build customer base through listing on ACBC's online membership directory and this business services directory.

Build a network with Australian and Chinese businesses and professionals.

Promote your events, initiatives, and offers through our newsletter (with a 4000+ audience)
