Australia China Business
Council

The Australia China Business Council (ACBC) has been at the heart of the Australia-China trade relationship for nearly five decades – acting as Australia’s business network for China and the independent voice of business within this relationship.

ACBC helps Australian companies develop and grow their business with China, and Chinese companies expand and invest in Australia.

Despite diplomatic tensions between Australia and China, it has never been more important to understand what drives the world’s second largest economy and Australia’s number one trading partner.

Membership of the ACBC is about joining a collective force of companies who believe in the opportunities and potential of deepening the Australia China bilateral business relationship.

Through our sector specific working groups and an exciting calendar of networking events, conferences, seminars, and publications, ACBC supports members at the different stages of their entry into, or growth within, China.

ACBC’s network of influence has consistently offered a valuable platform to members to help develop nuanced understandings of the changing environment, build networks and provide unparalleled access and engagement with decision-makers at the highest levels in the Australia-China political and business network.

We warmly invite you to become a member of ACBC and look forward to working with you.

THE MAIN OBJECTIVES OF ACBC ARE TO:

- 

Provide our members with consistent information, programs and networking opportunities on matters impacting investment, trade and business with China
- 

Develop and maintain dialogue between Australian and Chinese businesses, State and Federal Governments and other like-minded organisations and to collaborate on relevant initiatives and programs
- 

Host delegations and facilitate informative events with senior business leaders from Australia and China
- 

Represent our members' views to Australian policy makers and act as a conduit between government and the Australia business community
- 

Assist our members in building strong and lasting relationships with businesses and individuals engaged in bilateral trade
